Past Pres. Hoover Reported Ill

NEW YORK, (AP)—Former resident Herbert C. Hoover suffered "sudden and massive internal bleeding" early Sunday. Doctors said he was hospitalized on his 90th birthday. His son listed his prospects of recovery as "extremely guarded" given his age.

"He is comfortable and in no pain," said a late afternoon medical bulletin.

The afternoon medical bulletin concerning the third attack of internal bleeding suffered by Hoover within 16 months was issued by three physicians. The doctor said he "remains critical."

A medical team gave blood transfusions to Hoover in the Alford Astoria Towers suite where he has lived for many years. This "kept pace with the sees which have been large," a report said. It added that the bleeding appeared to be lessened.

The prognosis is extremely guarded, especially in view of the patient's advanced age," the statement continued.

In the first attack of internal bleeding to strike the former president within 16 months,

Hoover's personal physician, Michael J. Lepore, was joined by two other doctors, Howard Atwood and J. Neal Rodgers, in the second medical bulletin.

They said "his blood pressure, heart and vital signs are stable."

Fire Alarm Tripped

An alarm was set off at 10:17 p.m. in the Harris Fine Arts Center Sunday evening, according to a Provo Fire Dept.

Investigation by BYU Security, police Dept. and fire inspectors found no evidence of fire in the building. The reason for the alarm and who triggered it were attributed to a set in the fire alarm system. Investigating officers reported the alarm system triggered itself and then automatically re-set before the Fire Dept. arrived at the scene.

Business College Plans Annual Career Conference

The second annual Careers Conference for the College of Business will be held this year on Oct. 24 at the college.

Business executives from all over the country will be here to acquaint students with the job opportunities in the industrial field of business.

Mr. Richard Cook, manager of profit and forecast department, will speak to the group from Michigan to fill one of the speaking assignments.

These qualified industrial leaders will speak about 15 minutes each followed by a 40-minute question and answer period.

College of Business will not be forced to excuse classes in their colleges. However, all other students will need an official excuse from class to attend the lecture.

Giving out with a big "V" for victory are clockwise Dennis Farley, Terrell Hunt, Bill Lawrence, Dave Ross, Ranier Munns and Jeannie Sorenson. The sextet are the newly elected freshman class officers. Photo by Terry Tredler.

Noted Writer, Educator Slates Academic Talks

Dr. Schuyler Van Ransselaer Cammann, educator and writer from the University of Pennsylvania, will be the Academic Emphasis Committee's first speaker of the year in the major forum series. Dr. Cammann's specialty is the Orient.

HE IS SCHEDULED to arrive Wednesday night and spend two days in a round of classes highlighting the "Oriental Impact on Contemporary Man," with Dr. Spencer Palmer and Dr. Hugh Nibley of BYU, Thursday at 8:10 p.m. in the Drama Theatre of the Harris Fine Arts Center.

The schedule for his addresses to other classes will be announced later.

DR. CAMMANN'S VISIT will focus on the historical exchanges between East and West through the centuries and probe the contributions made by each in such fields as politics, religion, history, technology, sciences, the arts and philosophy.

ACEC Chairman Jerry Fredrickson will give a general historical view of Occident vs Orient tends to picture two great civilizations, each with its own cyclical rise and fall, contacting each other rarely.

Campus strong men seem to be using their brute strength to knock down accountants tiles from the ceiling, charges Curtis Wynder, Y Center Building Services Supervisor.

The problem exists in the tunnel between the first and second levels that exits the north side of the Center and continues over the bridge.

The ceiling here is approxi-

and seldom significantly except during the modern period."

HE POINTED OUT, however, that languages considered "pure" Oriental have been shown to have marked Grecian influence.

Mr. Fredrickson posed the following questions that Dr. Cammann's visit will explore: How much is the interchange showing through? What has it meant? What does it mean? and What can it mean for the future?

Dr. Cammann has done research in China, India, Burma, Laos, Tibet, Mongolia, Turkey and Afghanistan. In 1948-50 he was associate editor of the Journal of the American Oriental Society.

FOR FIVE YEARS he has appeared on the panel of CBS' "What is the World?" and has been associated with Far Eastern treks, the National Geographic Society, director of the Council for Old World Archaeology, former president of the Philadelphia Anthropological Society.

His books include "Land of the Camel, Trade Through the Himalayas," (1951), "China's Dragon Throne," "The Land and Substrata and Sancho in China," "The Land and Sancho in India."

Funds for Dr. Cammann's visit have been provided by the Colleges of Fine Arts and Communications and Religious Instruction.

matey seven feet high and many students are maliciously knocking out tiles as they walk through this area. Not only is the broken tile expensive, but some are bending the frame work around the tiles.

Things like this near the beautiful new building and give visitors from other campuses something to remember BYU students by, concluded Mr. Wynder.

Bill Lawrence Elected Freshman President

Announcement of the new officers that were elected to carry on the tradition of the Y and lead the freshman class for 1964-65 was made late Friday by Mary Ann Black, Elections Chairman.

BILL LAWRENCE, NEWLY elected President, will be assisted by Ranier Munns as Vice President and Jeanne Sorenson as Secretary to BYU's largest class.

Representing the first year students in the Senate will be Dianne Farley, Terrel Hunt and Dave Ross.

PROMISING TO insure the class of more representation and participation in student activities in order to form a more united class President Lawrence felt

very humble and grateful in being elected President.

Feeling very honored at having been elected Ranier Munns pledged himself to the development of closer relations between the class and the faculty.

RUNNING ON THE simple record of the past year, Munns is promising to do everything possible to justify the support that the freshman had given him. Terrell Hunt campaigned the idea of a suggestion committee where ideas and complaints could be expressed.

Representing the female portion of the freshman class in the Senate will be Dianne Farley who bridges service to the freshman class.

Especially concerned with the affairs between the class and the student government, Dennis Farley urged all freshman students to feel free to discuss with him any problems they may be aware of so that together the elected representatives of the class and the students would have a memorable and productive year.

Scholarship Deadline Soon

Students interested in applying for Danforth Graduate should contact Dr. Daniel H. Ludlow (327 Smart Administration Bldg.) The deadline for completed applications is (Wednesday).

GRADUATE FELLOWS, offered by the Danforth Foundation in St. Louis, Missouri, are open to men and women who are seniors or recent graduates of accredited colleges in the United States who have serious interest in college teaching as a career, and who have made study for the Ph.D. in a field common to the undergraduate college. Applicants may be single or married, must be less than thirty years of age at the time of application, and may have undertaken any graduate or professional study beyond the baccalaureate.

Approximately 120 fellowships will be awarded in March, 1965. Candidates must be nominated by liaison officers of their undergraduate institutions; the Foundation does not accept direct applications for the fellowships. Dr. Ludlow, the Danforth Liaison Officer for the B.Y.U.

Danforth Graduate Fellows are eligible for four years of financial assistance.

KCPX Gen'l. Manager To Be Guest Speaker

Guest speaker at Monday's communications symposium will be Douglas Elleson, general manager of KCPX-AM and FM radio and KCPX television is Salt Lake City, according to Professor Heber, Wolsley, series chairman.

As a native California, Mr. Elleson has spent most of his life in San Francisco. He studied advertising at San Francisco State College and Golden Gate College.

In 1946, he was hired by the San Francisco Chronicle as an account executive in the retail advertising department.

WHEN THE CHRONICLE
went into pioneer
business in
1946, Mr. Elleson
was one of the
first staff
announcers for
the Chronicle
owned KRON-
TV.

In the new
television field,
Mr. Elleson be-
gan directing some television pro-
grams in 1950. In 1952, he was
named the production manager.

In **THE STILL** young era of
television in 1952, Elleson achieved
the position of program manager of
KRON-TV, a position he held
until his resignation in 1962 to
become the general manager of
KOCX's entire operation.

The symposiums are held weekly
in F201, HFAC at 4:15.

Cougars Hogtie UOP, 21-0

Mountain Cats Get First Win Of '64 Season; Texas Western At El Paso Is Next Victim

by Stan Hodge

Sports Editor

their first win under their belts this week with an upset when they beat Texas Western in El Paso. Determined Mountain Cats BYU fans what they were up to and the University of

Pacific Bengal felt their bite as the Cougars spent all day Saturday knocking on the Pacific door, thrashing them 21-0.

Practically the entire game was spent with the Tigers deep in their own territory thanks to the exceptional defensive play by Kent Nace supported by Kent Oborn, Curt Belcher, Gordon Jenkins, Grant Wilson, and Bleney Skidmore.

BUT NEITHER did the offense do much slacking on the job. Quarterback Virgil Carter was named the outstanding back of the game, as the Cougars piled up 244 yards rushing, compared with 64 for UOP. John Ogden carried the ball 27 times for BYU a total of 106 yards.

The Cougars first scoring drive began with three times they got two yards on the pigskin the second period. UOP was forced to punt, but kicker Al Ford boomed the ball, getting off only a short punt to the BYU 46. John Ogden drove into the line for three yards on the first play. He picked up two more and went into UOP real estate on second down. Carter kept the ball himself and picked up three more yards. Then with a fourth down and one-to-go the Cougar gambled and picked up a first down, sending Ogden over center for another three yard gain.

THE BENGALS held Ogden at bay guard for no gain, and a pass intended for Henry Nawashine went incomplete. Alan Robinson, however, dodged around left end for 11 yards and another first down. Carter then sneaked the ball forward for another first down.

With the ball on the Tiger six, a handoff to Ogden was good for three yards. On the next play Robinson picked up gains to the right end Dennis Palmer, and then scored unopposed.

THAT SIX POINTS proved to

be the only score the Pumas needed for the win. Guy Hale added the extra point to make it 7-0.

BYU kicked off to the Bengals, who weren't able to move the ball in four plays and were forced to relinquish possession. BYU marched from their own 36 to another score in six plays—less than four minutes after they scored their first TD. Hale's kick again split the uprights to give the Cougars a 14-0 halftime lead.

THE CATS' final score came late in the third period after Bill Wyman, injured in a longer trial run, scored the UOP 24. Seven plays later Carter scored from three yards out and Hale converted to make it BYU 21 and Pacific 0.
